

Lyft

Sit/Stand table system

SUSTAINABLE ELECTRIC SIT/STAND SOLUTIONS

MAKING ADJUSTABILITY ACCESSIBLE FOR ALL.

Lyft is a comprehensive height-adjustable workstation system featuring a minimal design profile that is atypical of competitive solutions in its category.

It was designed as a platform with few parts, making it extremely cost effective and adaptable over time. It offers easy assembly into numerous configurations, transforming a simple desk into an efficient and integrated workspace.

Lyft offers individual office workplace solutions which allow the efficient and functional assembly of working environments. Great choice of colours and materials for desktops and frames give ample opportunities for individual workplace formations.

Lyft corresponds to all relevant norms and regulations.

DETAILS.

DESIGNED by Haworth Design Studio

ELECTRIC HEIGHT ADJUSTMENT
sit/stand (65-125 cm)

HIGH GRADE MATERIAL Steel

WIDE CHOICE OF COLOURS & FINISHES

SUSTAINABLE Indoor Advantage™ Gold Certification, compatible with LEED® and WELL® Building Standards

1 Easy Cable Management; 2 Varied Leg Options: T-leg, C-Leg and Benches
3 User Interface: Basic and Comfort; 4 Motor-driven system in between 65-125 cm

DESK TYPES

PRODUCT		DIMENSIONS	MATERIAL
	Rectangular Desk with T-leg and C-leg option	Length: 120/140/160/180/200 cm Width: 80/90 cm	Desktop: Melamine Legs: Powder Paints
