MEETING POINTS

A WIDE RANGE OF INDIVIDUAL WORK APPLICATIONS

Haworth Meeting Points represents a modular meeting table series with a program offering a range of desk shapes and heights. Options for bases and height variances allows for an efficient and functional design of meeting and collaboration zones. The choice of colours and materials for tops and frames provides ample opportunities for individual formations.

The underlying structure is created with high grade steel and aluminium parts. The careful choice of materials and production processes ascertain that all parts of the structure are precision-engineered.
