## Product Sheet

# ZODY FORM FOLLOWS SCIENCE

## SCIENCE-BASED WELLNESS. SUSTAINABLE DESIGN.

More than two years of persistent research and development led to Zody's product design innovations. A high-performing task chair, Zody blends science-based wellness and comfort with sustainability and international design. In addition, it is the only chair to ever be endorsed by the American Physical Therapy Association.

Research was entrusted to the Human Performance Institute of Western Michigan University (WMU), while ITO DESIGN and Haworth Design Studio collaborated to realise the scientific finding.

Zody is truly international, as well as versatile. It fits everywhere in the world and anywhere in the office, from workstation to boardroom. Designed with Haworth's sustainability values, Zody chairs are manufactured using recycled content and offers a high degree of recyclability at the end of life. They are GREENGUARD® GOLD Certified, PVC free and contribute to LEED accreditation.

## DETAILS

**DESIGNER** ITO Design & Haworth Design Studio

**"FORM FOLLOWS SCIENCE"** a high-performance task chair blends science-based wellness and comfort with sustainability and award-winning international design.

**OPTIONS** such as PAL™ Back system, Pelvic support, 4D armrests, Ergonomic seat, Technogel® soft lite seat, 3-point synchronised adjustment.

- 1. **PAL™ Back System** for asymmetric lumbar support
- 2. **Pelvic Support.** Supports and helps rotate the pelvis forward to maintain the natural spine shape of an ideal S-curve
- 3. **Adjustable 4D armrests**
- 4. **Ergonomic Seat,** optimally shaped seat surface, available with seat depth adjustments optional
- 5. **Technogel Soft Lite Seat** (optional) ensures a gentle, elastic relief at key pressure points.
- 6. **3 Point Synchronised Adjustment** signifies optimum movement for dynamic sitting
- 7. **Flexible Backrest Construction**
